Brief Announcements

- **Bike to Mass Weekend** takes place on the weekend of April 24-25.

Clergy Report

- **Holy Week Services Wrap-up:** Per Laura Chiu, speakers at OLR were helpful, but they were also very loud. Lenten Reconciliation gathered approx. 135 people; more priests were actually needed. Good Friday was about 3 hours. Easter Vigil was a wonderful service. There are a few points to fine-tune for next year, and in all, Fr. Thierry thanks the volunteers for all the help provided. Feedback, as usual, is appreciated.
- **ADA:** Parish made the goal in Week 11. The Diocese is still a couple of thousand short of the goal. Next year, it will be important to figure out how to push pledges. Jerry advises to make a push for *participation* (as was done last year).
- **Novena Card:** Intended to last for 9 days.

MINISTRY REPORTS

- Promotion is the key for all events.

Additional PSC discussion

- Communications committee can help with publicity for parish events. Please get feedback to Nicole, or members of the communications committee. Otherwise, events miss out on the promotional needs that the bulletin can provide.
- Jerry advises to use the collection plate to generate e-mail requests for the e-bulletin.
- Advice from Fr. Thierry: Proof-read announcements please!
