The Divorce Ritual for the Individual, the Family, and the Community

Wednesday, November 29, 2006 - 7:30 pm

**at the St. Thomas Aquinas Pastoral Center
3290 Middlefield Rd, Palo Alto**

Sherry was a divorce lawyer for 20 years. Currently she divides her time among a divorce mediation practice, the faculty of the Religious Studies Dept at Santa Clara University, and the Spiritual Guidance program at the Institute of Transpersonal Psychology. She has recently received her Masters degree in Transpersonal Psychology.

Sherry will be speaking on *The Divorce Ritual for the Individual, the Family, and the Community*. After her talk she will answer questions on any topic of interest. She has produced a helpful DVD titled *The Smart Divorce: Approaching Marital Dissolution* which is basically consumer information on what's available in that jungle out there, and the pros and cons of each. She will have several copies available for sale at \$20.00 each.

Transitions is a drop-in support group for people experiencing the transition from couple-hood to single-hood. It is informal and unstructured, confidential and safe. The meetings are every week on Wednesday evenings at 7:30. We have a small lending library of helpful books.

There is **no charge** for the meetings.
