

*Long, long ago in a  
galaxy far, far away,  
something happened  
and we're just now  
finding out about it!*

*That's only because it takes light so long to get to us from  
that far away!*

But if we're looking, we'll see it. Come look with us Saturday night, April 29th, at the first ever...

## Age of Aquinas Star Party

**Saturday, April 29, 2006, 8:00-10:00 pm**

Bring your telescope (if you have one), binoculars, and your curiosity! *Dress warmly in layers. Clear nights get chilly. Meet in the big parking lot just outside the entrance to Shoreline Park.*

(If it's really cloudy or raining, we'll re-schedule.)
