Macbeth

**Macbeth**, directed by Karen de Leon, takes us inside the mind and soul of one of literature's most notorious villains. Macbeth is a man trapped in a nightmare he can neither control, nor escape; A nightmare of unbearable lust and bloodshed. Politics and sex intermingle to spur the ambition of an imaginative Macbeth and his power hungry bride. Set in a world where women reign, men fight, and witchcraft decides one's fate, this production will rock your expectations of this classic play and leave you wondering how far you would go for a taste of power...
