Age of Aquinas Star Party

(a Bay Area group for Christian singles 40 and above)

Saturday, October 13, 2007, 7:00-10:00 pm

Bring your telescope and/or binoculars (if you have them), and a picnic dinner!

While the sun sets and twilight deepens, we'll have our picnic and get our telescopes set up. *Dress warmly in layers.* Clear nights get chilly. **Meet at the**

Park'n'Ride at I-280 and Page Mill Rd in Los Altos. We'll carpool to Foothill Park. Anyone with a telescope aboard gets in free and does not need to be a Palo Alto resident. Just tell them at the gate that you are an amateur astronomer participating in the public star party. We will be joining the Peninsula Astronomical Society (<http://www.foothill.fhda.edu/ast/pas.htm>) for this month's summer star party.
