

The Cone and Fox Fur Nebula NGC 2264

Kerry-Ann Lecky Hepburn & Stefano Cancelli

You are invited to come to the FIRST...

Age of Aquinas Star Party

...of the season

Saturday, May 15, 2009, 7:30~10:30 pm

Bring your telescope and/or binoculars (if you have them), and a picnic dinner! While the sun sets and twilight deepens, we'll have our picnic and get our telescopes set up. *Dress warmly in layers.* Clear nights get chilly. **Meet at the Park'n'Ride at I-280 and Page Mill Rd in Los Altos.** We'll carpool to Foothills Park. Any car with a telescope or a Palo Alto resident aboard gets in free. Or you can just tell them at the gate that you are an amateur astronomer participating in the public star party. We will be joining the Peninsula Astronomical Society (<http://www.pastro.org>) for this month's summer star party.

Please note there's a new admittance policy: *The park entrance will close at 8 pm, so don't be late or you won't get in!*
