AGE OF AQUINAS

a Bay Area group for Christian singles 40+

Not so long ago in *this* galaxy something happened! It was a star party and we liked it so much we're having another one. Come to the *next* ***Age of Aquinas Star Party!***

Saturday, August 26, 2006, 6:30-10:00 pm: Age of Aquinas Star Party
Bring your telescope (if you have one), binoculars, and a picnic dinner. While the sun sets and twilight deepens, we'll have our picnic and get our telescopes set up. Dress warmly in layers. Clear nights can get chilly.

Location: Meet at the Park'n'Ride at I-280 and Page Mill Rd west of Palo Alto at 6:30pm. We'll carpool to Foothill Park. Anyone with a telescope aboard gets in free and does not need to be a Palo Alto resident. Just tell them at the gate that you are an amateur astronomer participating in the public star party. We will be joining the Peninsula Astronomical Society (http://www.foothill.fhda.edu/ast/pas.htm) for this month's summer star party.

Admission: **FREE!!**

Directions: http://maps.yahoo.com/maps_result?addr=i-280+and+page+mill+rd&csz=los+altos%2C+ca&country=us&new=1&name=&qty=. Follow the green signs along the freeway off ramps to the Park'n'Ride lot west of the interchange.
